

Our Mission:

In collaboration with local partners and all affected by abuse, TTD creates innovative responses and mobilizes our community to promote safety and challenge systems of oppression and violence.

participants

24
Awareness raising activities

“If it weren’t for you taking the time to listen to me and caring enough to go the extra mile for me I don’t know what I would have done.” -Survivor

“I think that our presentation was one of the best and most informative presentations I’ve ever seen. It was detailed and involved. It gave resources and our activity let us see how quickly things can escalate.” High School YAAP presentation attendee

“TTD has helped me tremendously to safely exit an abusive relationship. I can't thank everyone at this program enough. I wouldn't be where I am without the non judgmental conversations and support over the past two years.” -Survivor
