

Position Paper

File #: 23-063

Agenda Date: 7/10/2023

Title For Agenda Item:

Authorization for the County Manager to award bid for the Regional Communications Center Improvements and enter into a contract between Cumberland County and Ganneston Construction Corp in the amount of \$1,111,233.00.

Recommended Action: Authorization for the County Manager to award bid for the Regional Communications Center Improvements and enter into a contract between Cumberland County and Ganneston Construction Corp in the amount of \$1,111,233.00.

Background and Purpose of Request:

To support Covid 19 mitigation measures the County worked with our Architects and Engineers from SMRT to create a new design for the regional communication center that encompasses interior improvements as well as construction of new interior office/call center space, which will include an exterior addition for mechanical equipment. SMRT in conjunction with the County used this new design to solicit bids and received a total of four. After conducting a thorough due diligence process County Staff are recommending awarding the bid and contract to the lowest and most responsive bidder Ganneston Corp.

Staff Contact: Sandra Warren, Compliance and Audit Manager

Presentation: [Yes] attached are the following: Bid Tabulation, Ganneston Corp BID and project reference list

Fiscal Impact and Source:

Cumberland County will expend the \$1,111,233.00 from State and Local Fiscal Recovery Funds (ARPA)

Effective Date if Applicable:
