

  
Cumberland **County**  
POSITION PAPER FOR AGENDA ITEM

<b>TO:</b>	Board of County Commissioners
<b>FROM:</b>	Melinda Fairbrother-Dyer Cumberland County RCC Director
<b>DATE:</b>	03 June 2024
<b>SUBJECT:</b>	Radio Equipment Agreement Between County of Cumberland and Town of Baldwin

**Requested Action:**

(Authorize, Accept, Award, Approve, Amend, Appointment or Informational Report-No Action)

*Approve the Agreement between the town of Baldwin and the CCRCC for Radio Equipment.*

**Background & Purpose of Request:**

*The town of Baldwin recently made upgrades to their radio infrastructure located on the WMTW Tower in Baldwin. The Counties new radio infrastructure project requires the same equipment in duplicate. WMTW agrees to accommodate public safety communication needs but requested that when possible we leverage each other to limit the impact to the tower.*

**Funding Amount and Source:**

*The County is under contract with Radio Communications Management for the necessary replacement of radio infrastructure and equipment. By entering into this agreement with the Town of Baldwin the upfront cost to the county is significantly decreased under that contract and the maintenance benefits to the Town of Baldwin going forward is significantly increased by the County taking over the maintenance in a maintenance agreement that the County already has with RCM.*

**Effective Date:**

June 10, 2024
