Exceptions to the agreement would be as follows; if the vehicle has sustained an excessive unsafe amount of damage which would bring the vehicles safety and the safety of the operator into question. This would include, but is not limited to, mechanical, body or frame defects or damage to the vehicle that would deem the vehicle to be unsafe to use as an emergency vehicle. The contracting town would agree to absorb the cost associated with the replacement of the vehicle and any additional damaged equipment at the time that the vehicle or equipment has been determined to be damaged or unsafe.

Vehicle Equipment: The contracting town agrees to purchase all required and necessary emergency and enforcement related equipment associated with the emergency vehicle. The town agrees to replace any equipment that is in need of upgrading due to the equipment being damaged or outdated.

Note: The dash camera is not optional and should have not been on the list. This is a cost prohibited item that none of our patrol vehicles have. We have researched this ability and it's too expensive to maintain memory of these videos in the cloud for the mandated amount of time required.

IN WITNESS WHEREOF, the TOWN OF GRAY, by order duly adopted by its Town Council has caused this Contract to be signed by the Town Council and the County of Cumberland, by order of the County Commissioners, has caused this Contract to be subscribed by the Chairperson of said Board or Council and the seal of said Board or Council to be affixed thereto and attested by the Clerk of said Board or Council, all on the day and year first above written.
