

TO:	Cumberland County Commissioners
FROM:	James H. Gailey, County Manager
DATE:	September 12, 2024
SUBJECT:	Parking Garage Rates 2025

Requested Action:

Amend the County's Parking Garage Fee Schedule for 2025.

Background & Purpose of Request:

County staff have met to review the Portland parking garage rates for the garages that are in close proximity of the courthouse. The peninsula is seeing a year over year increase in parking rates for monthly, hourly and daily. The County has always believed that the County garage should be competitive with others for rates, but maybe not to the full amount others are charging. County staff proposed the following rate schedule to be effective January 1, 2025.

Monthly Rate	Current \$160.00	Proposed \$180.00
·		
Hourly Rate	\$ 4.00	\$ 4.75
Daily Rate	\$ 38.00	\$ 38.00
Seasonal Rate Month	\$200.00	\$225.00
Lost Card	\$ 25.00	\$ 45.00
Activation Fee	\$ 25.00	\$ 30.00

Funding Amount and Source: Garage Revenue
