

TO:	Cumberland County Commissioners
FROM:	Kerry Joyce, Patrol Captain
DATE:	06-21-23
SUBJECT:	Purchase of 2023 Patrol/CID Vehicles

Requested Action:

Move to accept the lowest (only) bid submitted by MHQ, Marlborough Massachusetts to purchase (7) Patrol Ford AWD Interceptor vehicles, (1) one Patrol K-9 Ford Interceptor AWD vehicle and (1) one CID Patrol Interceptor AWD vehicle to replace our older vehicles in the Sheriff's Office current fleet using 2023-24 and 2023.5 budgeted funds and amounts budgeted from contract towns as follows:

- (2) Patrol Ford AWD Interceptor vehicles for the Standish contract.
- (1) Patrol Ford AWD Interceptor vehicle for the Harpswell contract

(Authorize, Accept, Award, Approve, Amend, Appointment or Informational Report-No Action)

Background & Purpose of Request:

(RFP) Request for Pricing was sent out at my request through Finance Director Alex Kimball on March 17, 2023. This RFP was sent out to some area dealerships with the intention to purchase (10) ten Patrol vehicles, (1) one K-9 vehicle and one CID vehicle to replace older vehicles. I asked Alex to send the RFP's out to Quirk, Rowe Ford, Yankee Ford and Casco Bay Ford for this bid process. We only received one bid proposal back from MHQ in Massachusetts. The cost to purchase a 2023 Ford Interceptor AWD utility vehicle for patrol purposes was \$44,820.80 per vehicle. The cost to purchase a 2023 Ford Interceptor AWD utility vehicle for CID purposes was \$44,071.10. The cost to purchase a 2023 Ford Interceptor with rear air for Police K-9 is \$45,418.60.

Funding Amount and Source:

Law Enforcement account 1110606-7345 23-24 and 2023.5 Budgets. These budgeted amounts go into a vehicle reserve fund, which makes multi-year purchases possible.

I recommend that we accept the lowest bid submitted by MHQ to purchase 7 patrol vehicles @ \$44,820.80 = \$313,745.60, 1 patrol K-9 vehicle @ 45,418.60 and 1 CID Vehicles @ \$44,071.10=\$44,071.10

This would be a total cost of \$403,235.30 withdrawn from the Patrol vehicle account between the two budget years.

Rev 1.2022 Page | 1

Purchase (2) replacement Patrol vehicles for Standish at a cost of \$89,641.60 from the Standish contract account.

Purchase (1) replacement Patrol vehicle for Harpswell at a cost of 44,820.80 from the Harpswell contract account.
