- Phone: [REDACTED]
- Email: [REDACTED]
- Address: Gray, Maine

Summary: A highly skilled and experienced real estate professional with over 35 years in the industry. Licensed in 1983 and received his Broker's license in 1986, Ed has been an instructor since 1988, teaching a wide range of real estate subjects. He is a widely respected and requested instructor, using unique teaching skills including candor and humor to make a lasting impression on his students. Ed continues to receive top evaluations from his students consistently year after year. He is the owner/broker of Getty Real Estate Services, a founding partner of The Real Estate Learning Group, and previously a designated broker for two other local real estate firms, currently managing 10 agents. Ed has a proven track record of personal sales, with over 100 million to date. In addition to his real estate career, Ed has served his profession and community in various leadership roles and has received numerous accolades for his contributions.
